Alumni Survey 2016
CALLING ALL ALUMNI:

CIDA is coming in the spring, and we must gather information from our alumni to share in our accreditation report. I ask each of you to please take this survey and let us know what you are doing. While all alumni are asked to participate, I especially need recent grads from 2012-2016 to complete this survey. I will continue to send out requests for a while until I get a good response. This survey is very important to our report. Thank you for your participation.

I'm needing everyone's help in preparing for our CIDM visit. If you are a 2012-2018 graduate, please take this attached survey. All alumni may participate. However, you do not have to be in design to take the survey. I've had a fairly limited response and need everyone to participate.

I am contacting each of you as our most recent alumni. I am in need of your participation in our alumni survey so I can prepare for our CIAA visit in the spring. Your classmates have already completed the survey, but I have not seen a response from you. Please help me out by completing this online survey. I am working on our report now and could use more data from our survey. Here is the link. You do not have to be working in the profession to take the survey. Thank you for your help!

I've completed mine, too! Sorry it took so long, I thought I completed this survey a year or two ago. Please let me know if I can do anything else to help! It's so important to graduate from an accredited university! Happy to help us keep that!

USMNTTTTT Thanks, Mrs. Hamilton!
